

WELCOME TO SPRING 2024!

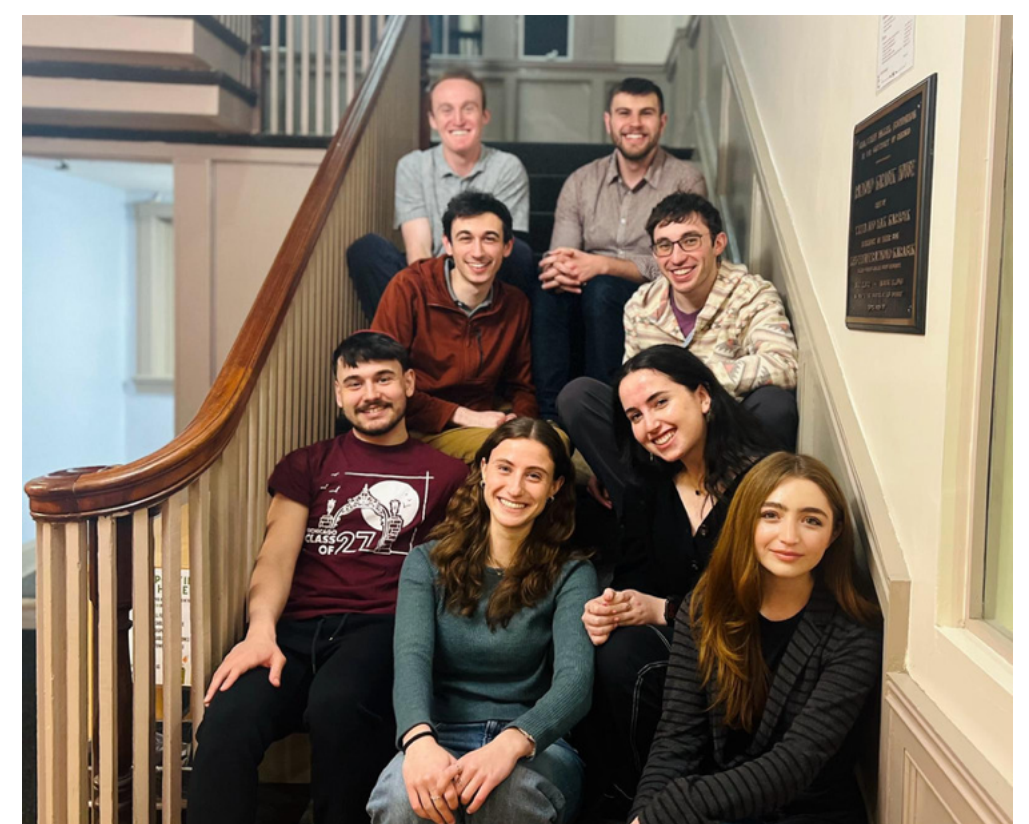

WINTER RECAP

In addition to our regular programming, including amazing Shabbatot and mishmars, this winter, we braved the cold for broomball! Our Yavneh team, the Yavneh Soggy Latkes, definitely had the most fun of any team on the ice. We also had an ice skating Motzei Shabbat event and the annual talent show! Who knew Yavneh had so much talent? We ended off the quarter with elections for a new board. It was a tight race with many qualified candidates and funny speeches.

WELCOME TO THE 24/25 YAVNEH BOARD

Thank you to the 23/24 board for all the hard work you put in over the last year to keeping our community thriving! The new Yavneh board is so excited to represent the community and do everything they can to improve it. The transition has been (mostly) peaceful and the new board members are already getting settled in their new positions and getting started on implementing new ideas!

PURIM!

We had so much fun this Purim! We started off the chag with a beautiful Megillah reading before heading to an 80s themed party at Chabad. In the morning we had an all women's Megillah reading and a super fun seudah with our amazing JLIC family, where we sang, ate delicious food, and watched a shepil made by the first years.

COMING THIS SPRING

With Purim over, our next big event is Pesach! We are looking forward to celebrating the chag with meaningful seders and fun programming. After Pesach, we will say a bittersweet goodbye to our fourth years before leaving for Summer break!

WE NEED YOUR HELP TO MAKE PESACH HAPPEN!

Your support goes directly to providing kosher for Pesach food throughout the week and making seders happen. Donate using the QR code or with the link below*
